JOINT POLICY & TECHNICAL COMMITTEE APPOINTMENT FORM

The Joint Policy & Technical Committee values your membership and input into the Northwest New Mexico Regional Transportation Planning Organization (RTPO). One of the main purposes of the NWRTPO is to involve the input of elected local and tribal officials. Historically, our membership has been made up of technical transportation representatives, who bring and relay information from their governing bodies, and thus in 2013, the Committee amended its bylaws to combine our Policy & Technical Committees.

It is important to us that your community's voice is best represented at the table. This form is to document your elected body's nomination of a Primary and Alternate representative to the NWRTPO. The NWRTPO staff will remind its membership to update forms once a year in January, but we understand that governing bodies and staffing change, so feel free to update this, as often as needed. This authorization process is now a membership opt-out process, whereby your representative will be honored until a new form is submitted.

Governmental Entity: _____
